I acknowledge that bike riding is an activity with certain inherent risks and that the risk of said activity is increased whenever one travels on the streets. I agree to hold harmless the Town of Davie, its officers and employees, singly or collectively, for any injury, misadventure, harm, loss, inconvenience or damage suffered or sustained as a result of participation in the Family Bike Rally. I acknowledge that I have been notified that I am expected to know and obey the laws and regulations governing the operation of a bicycle and have been informed on how I should obtain this information if I do not completely know said laws and regulations. I consent to and permit emergency treatment in the event of injury or illness. I will assume financial responsibility for any emergency treatment.

Safety First!!!

1. Remember, you will be sharing the roads with traffic. You are expected to obey the laws: observe traffic lights, stop signs and other traffic control devices.
2. You must ride on the right-hand side of the lane. Riding more than two abreast is not allowed.
3. A hard-shell helmet is always required when bike riding. This rule applies to all children under the age of 16 years.
4. **THIS IS A RALLY NOT A RACE!** Please take your time and enjoy the ride with your family and friends.
5. Dehydration is the number one cause of fatigue. Bring extra water with you. Drink water before you get thirsty (about one pint for each hour you are on the bicycle).
6. Please feel free to stop and rest. Once again, this is not a race. Have a safe, fun day!

Water, fruit and restrooms will be available at Robbins Lodge.
